Loving Hut Orlando is the first Grand Opening location on the East coast of the United States of America. We are located at 2101 Colonial Drive, Orlando, Florida, 32803 which is very easy to access from Walt Disney World, Orlando International Airport (MCO), Central Florida Fairground, University of Central Florida (UCF) and Orlando downtown.

Loving Hut is based on the concept that people and animals can live in harmony through sustainable plant based solutions. We promote eco-friendly green solutions and make every effort to use animal free ingredients, biodegradable materials, compost and recyclables. Loving Hut is here to help people make the noble transition to a healthy vegan life style and is a beacon of light for an alternative way of living, encouraging more and more people and restaurants around the world to adopt a plant based life style.

Loving Hut is currently the fastest growing International vegan fast food chain in the world. Internationally, branches are currently open in Formosa (Taiwan), Au Lac (Vietnam), Singapore, Indonesia, Tokyo and Hong Kong. More branches will be opening in various locations all around the world in the coming months. In an effort to reduce our environmental impact, all waste is recycled or composted whenever possible and "TOGO" packaging is made out of recycled or post consumer environmentally friendly materials.

As more and more people around the world adopt a plant based diet, Loving Hut is a beacon of light for an alternative way of living. It's healthier, it's compassionate, it's peaceful and it's the only way to a sustainable planet.
